A **PRE-EXISTING CONDITION** is an illness, disease or condition which you, your traveling companion, business partner, or family member booked to travel with you has 60 days before the coverage start date. This means that during those 60 days (1) a test, exam, or treatment was received or recommended for a condition which first manifested, worsened or became acute or had symptoms which would have prompted a reasonable person to seek diagnosis, care or treatment; or (2) prescription medication was received or taken. Number 2 does not apply to a condition which is treated or controlled solely by taking prescription medication and which remains controlled without any change in the prescription in the 60 days before coverage begins.

***Initial Trip Payment or Deposit** - This is the first day any payment is made toward your Land/Sea/Air Arrangements.
